

December 18

From the Elders

Our year-end contribution, December 25, will be used to address four specific needs: (1) additional benevolent funds which will be used in part to offer assistance to those affected by the East Tennessee fires; (2) a continued increase in mission expenditures, especially in Mexico; (3) a needed update of our children's classrooms; (4) assistance to our Greek mission point for their further aid to Syrian refugees. Please prayerfully consider these works as you plan your contribution for the end of 2016.
